

**WEEKLY UPDATE**

**8/12/20**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since our most recent round of testing of facility residents and staff we found 3 residents and 5 staff members test positive. The residents were all moved to our east side and are being attended to by dedicated nursing staff just for that unit. The staff members were immediately sent home for self-isolation. All five of our staff have recovered. Our COVID Unit on the east side currently has 7 residents. The three residents that test positive from our facility and 4 from other facilities. Family visitation: Per the state guideline in order to have family visitation the facility must have staff tested weekly. Right now, the Village at Richardson does not meet this requirement. We will have to continue restricted visitation. We will keep the families updated and inform you if anything changes.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at (972) 231-8833.

Sincerely,

*Mubashir Kamran*
